# About the DEI SUMMIT

A Regional real estate two-day Diversity, Equity, & Inclusion Summit designed to build curiosity and inclusive practices among members of the real estate industry that leverages the commitment to fair and equitable housing for all. At the Summit we look to:

1. Highlight the power of good business which starts with finding the people that puts your business in the best position to succeed,
2. Put every member of our teams in a position to succeed by recognizing their differences and playing to their strengths, and
3. Emphasize the correlation between great companies and the removal of unnecessary challenges.
